Your Game Plan

It's easy to go into it thinking you'll stay organized, never miss a due date and remember every "to do" item floating around in your head. As the days and weeks go by, all of those mental notes you took become a little fuzzy, leaving you wishing you could go back in time and jot them down. That's precisely what this calendar section is for—to keep you on track, organized and aware of any upcoming events or important dates—and not just for the coming weeks, but all year-round.
